

Softball Australia Basic and Open Playing Rules Assessment

How to Review Your Completed Assessment

Reviewing assessments provides the following information:

1. Details of previous assessment attempts and the mark (score) achieved
2. For each assessment attempt:
 - a. Questions answered correctly and incorrectly
 - b. Rule reference to assist with further study

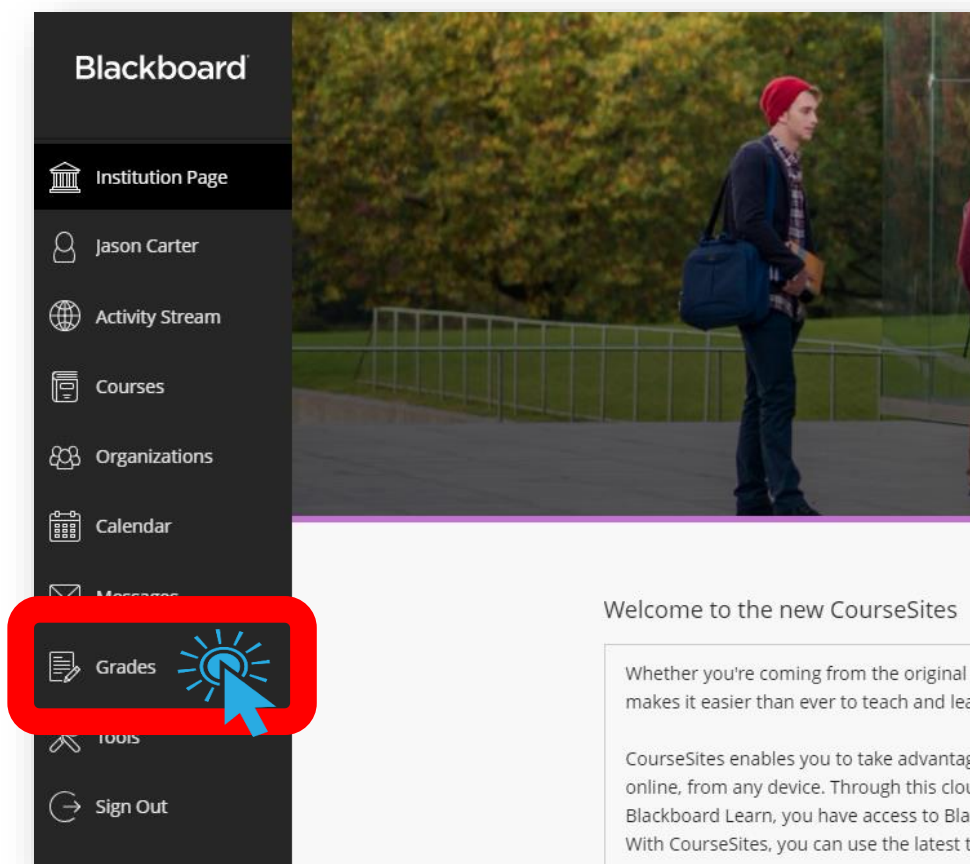

Notes

- *Rule references are not provided for Pre-assessment/Trial Test Pool questions*
- *There are no options to export or print results from CourseSites. Select relevant data on the screen by clicking and dragging your mouse, then copy and paste into a document or email.*

Follow these instructions to review completed assessments:

1. Browse to the coursesites.com website and login using your username and password
2. Click on "Grades"
3. A list of assessments will be displayed for the courses in which you're enrolled
4. Click on the relevant assessment box
5. Click on the relevant assessment link
 - a. Details of each attempt will be displayed
6. Click on a value in the Calculated Mark column to review all questions for the selected attempt
